We wish to inform you that due to ongoing concerns and resident complaints regarding parking on the road outside school, we will be monitoring the situation over the following weeks. Members of staff will be over seeing at the beginning and end of the school day. Our local PCSO Matt Bradshaw has been contacted and will also be monitoring the situation. We would ask that parents have due respect for each other and residents who live on Hockering Lane. Please do not block the school car park as access is needed at all times or resident driveways.

It has recently been brought to my attention that a number of parents are talking negatively on the playground and social media about the school and the adults within. I would like anyone who has a concern to make an appointment and discuss it so that together we are able to action a resolution.

In the first instance please speak to your child's class teacher, if you are unhappy with the outcome you will then need to talk with:

Mrs Sharpe Lower school lead

Mr Easterbrook KS2 lead

The adults in the school are committed to providing a safe environment and to setting a good example by being professional and courteous. We expect this from all community members and it saddens me to hear reports contrary to this expectation.

I would respectfully ask that all adults act as positive role models for the children of our school at all times.
