Comets and Satellites visit to Norwich Cathedral Satellites and Comets class had a great day when they visited Norwich Cathedral as part of their cross curricular Literacy, Religious Education and Art studies. As part of the "Easter Revealed" story session they joined in with drama and craft activities. The beautiful setting allowed the children to explore and look for different animals in the sculpture and engravings. They had such a busy day that several fell asleep on the return coach!

Tag Rugby Finals at Diss Well done to our team:

The children reached the final of the Plate Trophy where, in a hard fought game, they lost by one try. Mr Easterbrook was extremely proud of both their teamwork and sportsmanship.
