## School Attendance by Class

(Our whole school target for 2016-17 is 97.5% Last year we achieved 96.5%)

**Comets** 91.4%    **Satellites** 98.5%    **Endeavour** 98%    **Enterprise** 97%

Whole School Attendance this week is **96.2%**

**Parents' Evening** Thank you to all that came to Parents' Evening, we were delighted with the turn out despite the very cold weather and the support shown to the staff.

**Behaviour Policy** Accompanying this bulletin is our new behaviour management system which will begin after half term. This system will form the basis for how we reward good attitudes to learning and behaviour, but it will also provide a structure for dealing with poor attitude and behaviour. Please be assured that our normal nurturing approach will continue to be at the fore front of our practice, this just provides the children with boundaries in which they can safely work and play. The system was approved by a committee of governors on Tuesday and the impact of its implementation will be discussed at the next full governing body meeting at the end of March. We appreciate your support with this matter. If you have any questions please make an appointment with the office to see me.

**Karate** The children all enjoyed a taster Karate session in school today. Feedback from the children after the sessions was very positive and we hope to have inspired some of them to join a local club; Karate can be such a wonderful vehicle for developing concentration and self discipline.

**Half Term is here** Have a lovely half term. We will see you back at school on Monday 20<sup>th</sup> February.

**New Lunch Menus** Please find attached new lunch menus for the next half term.
