School Attendance by Class

(Our whole school target for 2016-17 is 97.5% Last year we achieved 96.5%)

Comets 97% Satellites 97% Endeavour 95% Enterprise 97%

Whole School Attendance this week is 97%

This week in Satellites in their own words Year 2 - Satellites have been very busy. We made flapjacks in maths and we were looking at kilograms and grams. So, that would mean, if I had 9kg it would be 9000g! We would have lots of flapjacks if we made 9kg worth. We took two big slices home to share. Year 1 - We used cups to make our flapjacks. For the oats we added 8 cups of them. In our group we had 2 full cups of oats. That meant we used one quarter. We love maths!

House Reward Winners We have a winner but it is secret until Monday when the winners will be announced in the Celebration Assembly! The reward trip will take place on Monday 20th March.
