## Tree Planting

Kyla and I came up with the idea to raise money for a new tree because the previous tree on the field was really struggling. We raised money through a bake sale, so a huge thank you to all those people that brought in cakes. This tree means so much to myself, Kyla and lots of other pupils. Having talked to Mrs. Stedman we agreed that an apple tree would be best for our field due to the soil type. Mrs. Courtney had told Kyla and I, that we needed two trees so they could pollinate each other, but she found a nursery where they sold a tree where the gardener had combined two trees together. We planted the tree where it could have enough sunlight and Kyla and I realised how much we enjoyed gardening. Now every day we can admire the tree and think about how hard we worked for it.

**This week in Enterprise** It has been test week for years 5 and 6 this week. All the staff are incredibly proud of the enormous effort every child put into their tests. The tests are very challenging both academically and emotionally, yet the children have been a huge credit to the school and their families through their attitude and determination. Many thanks for all your support during this time.

**Hilltop Residential** Please note that full and final payment is required by May 24th for the residential trip for Enterprise. If you require the amount outstanding, please contact the Office for details. Thank you.

**Bawburgh Youth Club** Friday 19<sup>th</sup> May from 6.15 p.m. to 8 p.m.
