This week in Endeavour (Year 3) On Tuesday 14th March an excited and curious Endeavour class hurried along the A11 to West Stow. What is West Stow you might ask? Well West Stow is a village built by archaeologists on the site of an Anglo-Saxon settlement. The Romans worked the land here too at one time. The houses have been built using clues from the past. We had a really interesting day hunting for historical clues and using them to work out mysteries. Endeavour recommends a trip to West Stow to everyone!

Red Nose Day Friday 24th March We are asking all the children to bring in a plain white t-shirt (old or new) from Monday. During the week the children will be designing their own Red Nose inspired t-shirt. They will also learn about the work of Comic Relief and discover some of the children around the world that have been helped by their previous fabulous fundraising. You are invited to purchase a ticket (suggested donation £1.00) to come and marvel at the children as they strut their stuff and their fashion designs in our very own Bawburgh Catwalk Show at 2.30 p.m. on Red Nose Day. We look forward to seeing you and the designs.

Keep Fit Please note there will be no Keep Fit afterschool club with Mrs Thompson on Monday 20th March.
