Norwich City Football Club Tournament

A huge thank you to the Langley School and Norwich football club for hosting Enterprise and their families at Carrow Road this week. On Wednesday, the Enterprise class played in a wonderful and highly competitive football tournament on the real Carrow Road pitch! The players and spectators were great ambassadors for our school with their passion and enthusiasm, we enjoyed the experience immensely.

This week in Comets we have been planning on how to get Mrs Thompson's balloon back. We found a message on our white board. The aliens had written a message saying that they had the balloon on Planet Pants. We wrote letters to the aliens asking them to send the balloon back and we made them some fancy underpants. We were very excited as yesterday they sent the balloon back from space. Mrs Thompson has learnt to never let go of her balloon especially when there are aliens about!!!

School Counsellor, we are in the fortunate position to have Andre Sloos in school for half a day each week. If you, or your child, have any concerns and would like to have a chat with him, please collect a consent form from the office. He is a great person to talk to, for parents and students alike!
