School Activity Clubs Forms were attached to last week's Friday Bulletin and we will notify you by today if your child does not have a place at a requested club. Clubs start week commencing 24th April.

This week in Comets This week in Comets we have been settling back into school life after enjoying munching our Easter eggs. We have been asking questions about our new topic. We have started to learn about the different planets. We have learnt the names of the planets in our Solar System. We know that the Sun is HUGE and is in the middle of our Solar System. We are so excited to learn more about space.

Did you know that it takes poor Neptune 164 days to orbit the Sun just once?

Sun Hats and Cream As the warmer weather arrives, the children will need to keep safe in the sun. Please send in a named sunhat for your child. This will be kept in school to ensure protection is available at all times. A named, small tube or bottle of sun cream may also be sent in. Due to time constraints Staff cannot apply sun cream, however the children will be encouraged to apply it themselves when appropriate.

School Uniform As the weather turns warmer, parents will be thinking about school uniform. A copy of the school uniform list is attached for your information. Suitable shoes are always of particular concern for parents so please do pop in to ask for clarification if you are unsure before purchasing new shoes. We know the pressures children can apply when choosing shoes, however it is important footwear is appropriate for school use and this generally precludes those wonderful fashion items!

Hilltop Residential Year 5 and 6 Further payments are required for this year's residential. The final instalment or total cost must be paid by 24th May 2017. There will be a parents' meeting on Monday 12th June 2017 at 2.30 p.m. to advise you of the final arrangements.

Summer Fayre Please make a date in your diary that the Summer Fayre will be on Saturday 1st July.
