

27th January
2017

Friday Bulletin

Good Work Awards go to children who have been:
Reflective; Resourceful; Resilient; Collaborative; Creative and Curious

Comets - Benjamin Ashworth , **Satellites** - Amelia MacKay , **Endeavour** - Mia Clarke
Enterprise - Leo Scotton. Well done all!

Swimmer of the week is Dylan Mills for displaying strong techniques in his arm movements. Well done.

School Attendance by Class

(Our whole school target for 2016-17 is 97.5% Last year we achieved 96.5%)

Comets 98% **Satellites** 98% **Endeavour** 95% **Enterprise** 96%

Whole School Attendance this week is **97%**

Attendance It is very important that children attend school regularly and are on time. There is a clear pattern between under achievement and absence from school. If a child is ill, please let the school know that they will not be in school by 9.30 a.m. each morning they are away, by phone (01603 742329) or by e-mail (office@bawburgh.norfolk.sch.uk). If you do not inform the school of the absence it will be recorded as unauthorised. If a child is absent due to sickness or diarrhoea, they should not come to school for 48 hours. If a child needs time off from school for a medical appointment, a copy of the appointment letter should be sent into school.

Visiting School As part of our child protection procedures, we ask that you do not enter the school without first reporting to Reception. Class teachers are always happy to talk with parents, but we ask that visits are kept until the end of the day so the school day can start promptly. Thank you.

Paid Afterschool Club If you are collecting your child from Afterschool Club before 5 p.m. can you please use the blue door at the front of the school and after 5 p.m. collect your child from the Reception/Office door. Thank you.

Hilltop Please note that Hilltop have requested further instalments for the residential trip and we would be grateful if you could forward monies in a named envelope.

Defibrillator Staff and parents were taught how to use this special piece of equipment. The defibrillator, which will be sited in Reception, is crucial as sudden cardiac arrest can affect a person of any age, even children.

Swimming Lessons form part of the National Curriculum and also teach the children a vital life skill. The curriculum states that by the end of KS2 all children should be able to swim a minimum distance of 25 metres unaided. It is therefore essential that your child participates in all swimming offered, in the same way that they have to take part in other lessons, so that they reach the required standard. Therefore, if your child is unable to participate due to illness a doctor's note is required.

The week ahead:

Class teacher list for Parents' Evening available from Monday 30th January

Endeavour Parent lunch at 1pm on Wednesday 1st February

Tag Rugby Finals Wednesday 1st February
