Maths Challenge Well done to Mia Clarke, Alfie Howes, Toby Kelly, Ebony Lewis, Samuel Parkings and Mary Squires who represented the school at the Ormiston Victory Academy Maths Challenge Day. The children worked in a team covering such subjects as coordinates, prime and square numbers and speed stacking. Although we did not win, we were very proud of their team work and behaviour.

Thank you to Mrs Cox for organising the day and for choosing a problem that challenged all of children across the school throughout the day.

Thank you to all parents who attended our parent lunches, cafes and assemblies and helped with school trips over the term. Key diary dates for parents/carers will be given to the children today.

This week in Enterprise In Maths this week we have been exploring, reasoning questions that require use of the four operations: addition, subtraction, multiplication and division. In our Literacy work we have been establishing different types of sentences and clauses, and then creating our own examples. Our samba continues to thrive in music and we have been discussing the origins of the Easter story. In P.E we have been sharpening our passing skills with a football, in readiness for an exciting tournament coming up in May.

Enjoy the Easter break.

School Uniform Unfortunately, we have noticed again this week an increasing number of children who are not wearing the correct uniform. Could you please ensure that their uniform conforms to the school dress code.

Red Nose Day Thank you all those who participated last Friday. A total of £190.71 was raised through the non uniform day, fashion show and cake bake. The children looked wonderful in their decorated shirts at the fashion show. We have some budding Vivienne Westwood and Karl Lagerfeld designers in the school!

Staff Run Afterschool Clubs These will run from 24th April. A form is attached for completion and places will be available on a first come first served basis.

Mrs Cox We will be saying goodbye to Mrs Cox on Friday as she starts her maternity leave. Mrs Nicholls and Mr Johnston will be covering her absence for the Summer term.

Easter Egg Raffle We finish today with our Easter Egg Raffle and our thanks go to all those who sent in donations and to Endeavour who sold tickets and completed countless counterfoils. Thank you.

Well Done to Gabriela Zattini who has achieved her Proficiency Level 3 awarded by the British Gymnastics Board.

Well Done to Jessica White who has achieved her Proficiency Level 6 awarded by the British Gymnastics Board.

The week ahead: Happy Easter We would like to wish you all a very Happy Easter and look forward to seeing you again on Tuesday 18th April.
