Ofsted report Following a recent visit from one of Her Majesty's Inspectors, John Lucas, on Tuesday 28th February, I am pleased to be able to tell you that we maintained our overall effectiveness grade of Good. He acknowledged that: *'we have established a strong senior leadership team and together we have successfully increased the pace of school*

improvement', 'Safeguarding is effective and pupils feel safe and secure', we are 'successfully bringing about much needed improvements in the teaching of mathematics'.

We are very pleased with the report and feel it is a fair representation of where we are currently, and although Mr Lucas identified areas for development, plans were already in place to address them.

The report will be published on the Ofsted website from Monday and a copy will be attached to this bulletin and put on our website.
