

Week 1 Week beginning 17<sup>th</sup> September 2018

Spellings will be tested - 26<sup>th</sup> - 28<sup>th</sup> September

Please use the ladder and sound buttons/dashes to create the spellings as this will help your child to identify how to break down and recreate words for spelling in their independent writing. Please return this sheet by Wednesday 26<sup>th</sup> September. Some of the high frequency words at the bottom of the ladder will need to be learnt by heart as they cannot be decoded. The first example has been done for you and be reassured your child should be guiding you! If any problems please come and chat to me.
