Flamingos Newsletter 7

15th October-19th October

This week we have been learning...

Maths:

- To recall and use addition and subtraction facts.
- Using different representations to help us with our working out in a number of different ways.

Literacy:

- We have been learning to read and join in orally with Funnybones looking at pace and rhythm in the text.
- We have practised retelling the story using syllables in key words.
- We have been enjoying whole class reading and activities for sequencing our story.

Science:

- We have been learning about our bodies; investigating further similarities and differences.

History:

- We have looked at the role of animals in WW1 and investigated Sergeant Stubby.
- We have been listening to our class chapter book based on Jack and Edith Cavell.

After half term we will be learning...

Phonics: spelling rules and continuing with looking at alternative/split digraphs

Maths: We are continuing with addition and subtraction in different representations.

Geography: We will begin to investigate our new unit on locational knowledge.

Reminders

All children need a named water bottle in school at all times.

Coats and welly boots will be needed daily after the holiday.

29.10.18 Back to school

2.11.18 Open tray afternoon 3pm (Friday)

Comments:

We have had a wonderful start to our new academic year and we have worked extremely hard. Please have fun over the half term and we look forward to seeing you in the next half term!
