What a great start to the year! Well done each and every one of you!!

School Attendance by Class

Flamingos % Kingfishers % Jackdaws % Hummingbirds %

Whole School Attendance this week is **%**

Aims and Values after collecting children, parents, staff and governor views on what they feel our school values should be we have chosen the following:

Collaboration

Respect

Resilience

Curiosity

Above and Beyond

From these we have created our aims for the school:

*At the Bawburgh School we will create a learning experience that goes **Above and Beyond** to enable all children to exceed. We will nurture children's **Curiosity** and use this to create fun, safe and exciting learning opportunities. We will develop children's **Resilience** so that they are able to learn from their mistakes and thrive. At Bawburgh children will learn how to **Collaborate** effectively with adults and their peers, through this they will create a welcoming and inclusive community. The Bawburgh community has **Respect** at its heart and will provide children with a firm foundation to their academic journey.*

Over the coming year we will be focusing on these core Values, tackling one each half term so that the they become a part of everyday life in school.

We have also decided to use ***Above and Beyond for all*** as our school motto.

Open Tray Mornings Thank you to the parents who were able to come and spend time in the classrooms on Tuesday morning. As it's the start of term, there won't be that much to look at in the books, but please use the time to look around the classroom, help your child with their early morning work and to talk to the adults in the classroom. We look forward to seeing more of you next Tuesday morning. Please also remember that if you are unable to make the Tuesday moring sessions after half term the sessions will be moving to a Thursday afternoon. **Please note on Tuesday 18th September due to staff training, there will not be an Open Tray session for Hummingbirds (Yr5/6) or Flamingos (R/1).**

Tuck Please note that tuck is available on Tuesday (crumpets) and Friday (French stick) at a cost of 40p per portion.

Parentmail Please note that at present we are unable to accept payments for Breakfast Club or paid Afterschool Clubs through ParentMail. We are looking to set these up in the future and we will advise you accordingly. As with all new systems it takes a little while to make it work, thank you for persevering with it.

Thank you The Office staff would like to thank parents for their support and patience during the start of a very busy Autumn Term.

Friends Christmas Fair News just in, the Christmas Fair this year will be held on Saturday 8th December 12pm -2pm. More details to follow closer to the date.

Do we know who is picking up your child? Parents are reminded that, in line with Child Protection and Safeguarding best practice, school should be notified if someone else is picking up your child from school. Notification can be made by letter, e mail or phone. If someone else is to pick up regularly then it is not necessary to notify us on every occasion; a written communication along the lines of, 'Every Wednesday, Mrs X will pick up my son Y' is perfectly acceptable. Likewise, if your child is walking home, we need a written communication giving your consent.

Dates for your Diary and Reminders

Teacher led afterschool clubs start 17th September (consent form needed)
Please return any consent forms asap
