

Kingfishers Newsletter

21st January - 25th January

Maths:

- * We have been recapping our addition and subtraction skills.
- * We have practiced the use of commutative law and inverse number problems to create number families.
- * We have used our concrete resources and pictorial methods to help us solve problems.

Literacy:

- * We have continued our work on acrostic poems by writing about our favourite animals.
- * We have continued studying fables and have been developing settings and character settings.
- * Our grammar focus has been on adjectives to add to our descriptive writing.

Science:

- * We have worked collaboratively to group object depending on the materials that they are made of.
- * We have begun to describe materials using their properties.
- * We have continued to expand our scientific vocabulary.

History: We have continued our topic of houses through the ages, trying to find similarities and differences between types of houses.

Next week we will be learning...

Literacy: We will be thinking about how different characters might feel and trying to "put ourselves in their shoes"

Phonics: when "s" makes a "zsh" sound and "ti" makes a "sh" sound.

Maths: to use array and about repeated addition and subtraction to aid our learning in multiplication and division.

Science: to continue our work exploring the properties of materials.

History: We will continue studying different houses: how they have changed and why.

Reminders

22.1.19- open tray morning

Please make sure your child brings their water bottle into school every morning. We don't let them go thirsty but would rather avoid single-use plastic cups!
