*Above and beyond for all*

11<sup>th</sup> January 2019

Our learning this week	Our learning next week	Notices and Homework
<p><u>English</u> We have started our new book, 'The Highwayman' By Alfred Noyes. We will be looking at figurative language, for example similies, metaphors and personification.</p> <p><u>Spellings</u> To spell words with double consonants. <i>accommodate, accompany, according, aggressive, apparent, appreciate, attached, committee, communicate, community, correspond, immediate, occupy, opportunity, recommend, suggest</i></p>  <p><u>Maths</u> We have been looking at addition and subtraction of both proper and impropoer fractions this week. The children have used concrete resources to help them model and understand how to use fractions with different denominators.</p> <p><u>Topic</u> This week in History we started our new topic of Crime and Punishment through the ages. The children looked at the different ways that the Romans brought justice. We also used our English topic as inspiration to write our own non-Chronological reports about Highway men.</p>	<p><u>English</u> The children will be writing their own detailed description about a setting from the book and beginning to make a story map.</p> <p><u>Spellings</u> Words ending in -able</p> <p><u>Maths</u> In Maths children will look at multiplying and dividing fractions. We will be working with lots of different practical and pictorial methods to help with their understanding.</p> <p><u>Topic</u> In science next week we will start of topic on electricity. We will also be working in and out of class on improving our Non-Chronological reports about Highway men that we did last week.</p>	<p><u>Homework</u> Children will be given a weekly spelling test. <b>Please encourage your children to practise these at home.</b> Children must also continue to read so they can be working towards their targets on Accelerated Reader. Maths Homework books will be going home with every child this week for them to do their homework in. Children will be working through the fractions sections with week.</p> <p><u>PE Kits</u> Please can you ensure that all children are bringing in their PE kits ready for PE on Tuesday and Wednesday.</p>
