## The Bawburgh Big Ideas Bus update

We did it! It has just been confirmed that the project we entered into the Aviva Community Fund is a winner. This means we will be awarded £10,000 to buy and convert a double decker

bus in to a library/reading deck and a nurture/extra learning space. This will give us valuable extra space for the whole school to enjoy.

A huge thank you to everyone who voted and encouraged others to vote - the support that this project has had from the whole school community has been fantastic and has really paid off!

The process of making this project a reality will begin soon, and once planning is underway we would love to hear from people who'd like to get involved in making this happen..... more details to follow soon.

Congratulations to everyone.
