

# Kingfishers Newsletter

4<sup>th</sup> - 8th February

## This week we have been learning...

### Maths:

- \* We have begun to use multiplication facts to help us solve problems
- \* We have been looking at arrays and how they help us understand multiplication facts.
- \* We have been learning about division and how it means to share equally between groups.

### Literacy:

- \* We have been studying 'the thirsty crow'. After reading and sequencing the story, we have developed our own versions using pictures and sentences to describe the events.

### Science:

- \* We have been learning about the invention of new materials.
- \* We learnt about John McAdam and how he helped create tarmac.
- \* We have continued to think about how to plan investigations.

## Next week we will be learning...

**Literacy:** Continuing the theme of fables, we will be learning 'the mouse's tale' through acting, drawing and writing.

**Maths:** to count in groups of 2, 5, and 10 using this skill to help us create fact families.

**Science:** to create a product using our understanding of materials

**History:** We will be building our houses next week, thinking about different materials used through the ages.

## Reminders

5.2.19- open tray morning

5.2.19- Safer internet day, including parents café 9am -10am

6.6.19 - KS1 gymnastics (10 representatives)
