Above and beyond for all

Our learning this week	Our learning next week	Notices and Homework
<p><u>English</u> The children have started to explore their new book 'The Journey'. They have been exploring the themes in the book, through drawing and drama, and writing a diary entry in role as one of the character. Our grammar focus has been synonyms and antonyms, in order to support the children with extending their vocabulary.</p>  <p><u>Spellings</u> The children have been learning to spell words with the letter string 'ough'.</p> <p><u>Maths</u> We have been using decimals. We have looked at rounding, adding, subtracting and multiplying decimals by whole numbers.</p> <p><u>Topic</u> In topic this week the children have been conducting an experiment to see the effect</p>	<p><u>English</u> The children will continue to write diary entries. They will learn to use a range of formal and informal techniques in order to manage and control shifts in formality in their writing. We will be revising the use of commas in order to make the meaning of their writing clear.</p> <p><u>Spellings</u> The children will continue to learn to spell words with the letter string 'ough'.</p> <p><u>Maths</u> The children will be comparing fractions, decimals and percentages. They will be looking for equivalents and completing word problems.</p> <p><u>Topic</u> We will be looking at European maps and labelling countries, capital cities and different physical features. This will be preparing us for our topic on refugees and</p>	<p><u>Homework</u> Children will be given a weekly spelling test. Please encourage your children to practise these at home. Children must also continue to read so they can be working towards their targets on Accelerated Reader.</p> <p>Maths Homework Year 5 - 32, 36 Year 6 - 25, 27</p> <p>If children are finding any areas of their homework they must tell either myself or Mrs Wilson and we will give them some extra help in school.</p> <p>World Book Day</p> <p>It is world book day on the 7th March. We have asked the children to come dressed head to toe in the colour blue as this will reflect the themes in our whole school book. Also, don't forget your extreme reading pictures!</p>

of different battery voltage on the brightness of bulbs.

their journeys. In Science the children will explore the effect of adding buzzers to circuits in preparation for designing their own burglar alarm.
