

Kingfishers Newsletter

Monday 13th May

Last week we were learning...

Maths:

- * to recognise the division symbol as a way of saying 'sharing into equal groups'
- * to find related multiplication and division facts.

Literacy:

- * to write instructions on how to catch a giant.
- * to understand that the present tense and imperative verbs are used for instructions

Science:

* The bank holiday meant our science lesson was missed this week. But don't worry... double science is on its way!

History: * to research the background and story of Grace Darling. We used our reading skills to look for information and answer questions.

- to think about coastal living and what it might have been like for Grace.

Next week we will be learning...

Literacy: how to use formal language to write an information leaflet

Phonics: Year 1 focus: the long 'I' sound
Year 2 focus: s (zsh) revision

Maths: to recognise 2D and 3D shapes and their properties

Science: Continuing with habitats and food chains

History: the legacy of Grace Darling

Reminders

Don't forget swimming kit on Tuesday!

If you would like to put a snack in their swimming bag then they can eat it there. Fruit will still be available.

Please can you make sure your child has a named water bottle in school. There are still a lot of children who don't have bottles with them. Bottles can stay on desks so they can drink more regularly; we can also take the water bottles outside for PE and to swimming.

PE on Wednesday.

Spelling test will be on Wednesday.

Homework and spelling books back in school for Wednesday please!
