Our learning this week	Our learning next week	Notices and Homework
<p><u>English</u> The children have been exploring the short film <i>Broken:Rock, Paper, Scissors</i>. They have been revising how to write concise noun phrases, to make their writing more precise, and using 'show not tell' to engage the reader.</p>  <p><u>Spellings</u> The children have continued their work on homophones and have been learning to spell homophones and near homophones.</p> <p><u>Maths</u> The children will be revising long division and fractions.</p> <p><u>Topic</u> In Geography the children have continued to work on creating their own travel brochure. In Science, they have started their new topic <i>Properties and Changes to Materials</i>.</p>	<p>Next week, will be a very busy week with SATs for our Year 6's. We want to make this time as stress free and relaxed for the children as possible.</p> <p>A reminder that all Year 6 children are invited to complimentary breakfast club. Hopefully we will see you there!</p> <p>Year 5 Next week the children will be editing and improving work in English. In Maths they will be solving problems involving all four operations.</p> <p>As an on-going project throughout the week, we have randomly selected the letter 'b' which must be the starting letter of the title of the children's project. All children will be producing their own research project and will be selecting their own way to present their information.</p>	<p><u>Homework</u> Children will be given a weekly spelling test. Please encourage your children to practise these at home.</p> <p><u>Accelerated Reader</u> Just a reminder that the school expectation is that children read daily at home and are given time at school to complete the tests. We track children's progress towards their targets on a weekly basis.</p> <p>Maths Homework; ensure children are up to date with the following pages.</p> <p>Year 5: P24/52/53/68/69 – continue from last week.</p> <p>Year 6: Please get lots of early nights so you feel well rested!</p>
