

Flamingos Newsletter

Monday 13th May

Last week we were learning...

Maths:

- * to make equal and unequal groups linked to sharing and grouping.
- * to understand that grouping equally is linked to the division symbol.

Literacy:

- * to write a story map for Katie and the Sunflowers.
- * to complete a story mountain highlighting key features of our story.
- * to think about innovations to our taught story.

Science:

* The bank holiday meant our science lesson was missed this week. But don't worry... double science is on its way!

History: * to research what living in a lighthouse was like and discussing coastal living and what it might have been like both in the past and now.

Next week we will be learning...

Literacy: to read as a 'reader' and write as a 'writer'. Searching for key punctuation and understanding our text structure ready for writing our stories.

Phonics: To continue to revise and work with our phase five sounds.

Maths: Solve one-step problems involving multiplication and division, by calculating the answer using concrete objects, pictorial representations and arrays with the support of the teacher

Science: investigating changes and structures of plants.

History: Investigate the story and legacy of Grace Darling.

Reminders

Don't forget swimming kit on Tuesday!

If you would like to put a snack in their swimming bag then they can eat it there. Fruit will still be available.

Please can you make sure your child has a named water bottle in school. There are still a lot of children who don't have bottles with them. Bottles can stay on desks so they can drink more regularly; we can also take the water bottles outside for PE and to swimming.

PE on Wednesday.

Homework and spelling books back in school for Wednesday please!

EYFS - we are practising recalling past events in our lives. Please encourage your child to talk to you about the sequence of their day at the end of each day focussing on using the past tense in sentences.
