## Colour Run and Fun Day Friends' Colour Run

Thank you to everyone who came along on Saturday and made the day such a colourful success; from the hard-working volunteers (including Clive and his invaluable services), Richard Jarmy for the amazing photos and all the great runners who really entered into the spirit of the day. We had around 80 people in the run from babies to grandparents and raised well over £500 for the school, so thanks to everyone. If you still have sponsorship money to collect, please bring this into the office with your forms, thanks.

Thank you to everyone who participated, attended and donated prizes and most of all their time and effort in making the event happen. It was a fun day and a very big thank you to everyone.

**School Performance** Can you please ensure your child is back in school at 6.30 p.m. for the evening show. We have extra afternoon tickets for sale. If you require any extra, please call to the Office. Don't forget to pay for your original allocation through ParentMail. Tickets will be released once paid.

Clive will be providing refreshments from 1.30 p.m. and 6.30 p.m.

The Friends will be at the performances also selling cans of pop/bottles of water and raffle tickets for some great prizes, so please bring along your pennies - thank you.

**Sports Day** was a great success this year, the children thoroughly enjoyed themselves. We wanted to try something new this year with Sports Day and for the children to experience a full day of sports activities. In the morning the children were split into 12 groups each led by an adult in school (3 teams per house). They rotated around 12 different activities collecting valuable points for their houses. The children showed great skills in throwing a javelin, following assault courses, triple jump etc. The older children in all of the groups were fabulous at demonstrating the activities and supporting their younger team mates. There was a real sense of house team spirit which supports our school values. Thank you to those of you who were able to come to the picnic lunch and stay for the afternoon races, the children loved eating with you! The children had pre-selected which race they would like to take part in, this included; egg and spoon, three-legged race, sack race and the 100m sprint. This enabled the children to take part in a competitive environment thus giving them a balance between team and individual sports. As this was our first trial we kept the afternoon short as we were concerned the children would be tired in the afternoon. From our feedback we are happy to say the structure was an overall success and we will take on board the suggestions received and we will include more races in the afternoon next year.

**Safeguarding and photos** Safeguarding your children is our number one priority. Please, when posting photos on social media of your children could you ensure that you do not post photos of other children unless you have the permission from their parents.

**Staff Carpark** Could we please ask that you supervise your child in the staff carpark when collecting them from afterschool.

**Bags2School** Bags have now been issued. The collection day will be 9 a.m. on 12<sup>th</sup> July but bags can be brought into school from Monday 8<sup>th</sup> July.
