|--------------------------|---------------------------------|--------------------------|---|
| <input type="checkbox"/> | Count by rote to 10/20 | <input type="checkbox"/> | Can double numbers up to $5 + 5$ |
| <input type="checkbox"/> | Recognises numbers 0-5 | <input type="checkbox"/> | Can double numbers up to $10 + 10$ |
| <input type="checkbox"/> | Recognises numbers 6-10 | <input type="checkbox"/> | Can halve numbers up to 10 |
| <input type="checkbox"/> | Recognises numbers 11-20 | <input type="checkbox"/> | Can practically add two numbers together (single digit) |
| <input type="checkbox"/> | Can count reliably 1:1 up to 10 | <input type="checkbox"/> | Can practically subtract two numbers (single digit) |
| <input type="checkbox"/> | Can count reliably 1:1 up to 20 | | |

Reception's number targets.

Early Learning Goal

Children count reliably with numbers from one to 20, place them in order and say which number is one more or one less than a given number. Using quantities and objects, they add and subtract two single-digit numbers and count on or back to find the answer. They solve problems, including doubling, halving and sharing.
