

# Flamingo's Newsletter

Monday 1st July

## Last week we were learning...

### Maths:

\* to look at problem solving by tackling maths challenges with place value

### Literacy:

\* We were 'reading as a reader' looking at sentence construction and carrying out comprehension reading around 'The Rainbow Fish' story.

**Humanities:** \* We continued our Geography/History cross curricular topic of the seaside, comparing seaside holidays to Victorian seaside holidays.

**Science:** \*we continued our sessions of SRE, looking at the differences and similarities between males and females.

**Norfolk Show:** \*We had an amazing day! We climbed into emergency service vehicles; we stroked farm animals and made DNA chains and pizzas; hunted pink pigeon facts; climbed into tanks and aeroplanes and checked out dinosaur excavations. We finished our day with a lovely ice-cream!

## Next week we will be learning...

**Maths:** place value challenges up to and over 100. Reception children to continue with 3D shape recognition.

**Literacy:** we will look at past and present tenses in sentences, extend our vocabulary through our story particularly wow adjectives and thinking about sequences in stories. Reception children extending sentence writing.

**Geography/History:** We will continue to look at land/sea features and holidays from the past. Reception children making Punch and Judy theatres and puppets!

**Science:** We will be continuing our SRE unit

Reception children are working very hard at the moment. They have increased their phonic/writing/maths daily output in books. Please come and have a look on open tray days. They have also been working (as many of you know) on some wonderful art and design work around 'The Rainbow Fish'.

## Reminders

**SPORTS DAY on MONDAY!!**

Please come in PE kit and trainers. Don't forget your water bottles, hats and please put sun screen on!

Don't forget swimming kit on Tuesday!

We will be holding the class auditions for Bawburgh's Got Talent on Tuesday. Please make sure your child brings in anything that they might need.

Homework: Sing, sing and sing some more!

I have sent home the lyrics for our class song to practise. Puff the Magic Dragon is coming along nicely.

If your child brings in a football to play with during break and lunch time please ensure it is named. Due to space in our garden area football is not played in continuous provision.

Please continue to upload on Tapestry. At this time of year it is an opportunity to show us what the children can do at home.

Finally, thank you for your continued support. Just a few short weeks left now before we break up for a well- deserved break.
