

Kingfishers Newsletter

Monday 2nd December

Last week we were learning...

Maths: how division relates to multiplication. We looked at fact families, sharing and grouping.

Literacy: We have been using inference skills to write stories using picture prompts. We have continued our study of poetry through guided reading to help with our own poetry skills.

Science: we studied what animals need to survive and thought about how animals can obtain oxygen on land and in the water.

Geography: we studied the hot and cold locations on the globe; comparing the physical features of both and the animals we might find there.

Kingfishers Newsletter

Monday 2nd December

Next week we will be
learning...

This week we will have an
amended timetable around
the play rehearsals.

Maths: we will maintain
daily maths through our
fast maths sessions and
will be doing our termly
progress checks

Literacy: We will continue
our work on poetry,
finishing a presentation
poem about winter.

Science: we will be looking
at what animals and
humans need to survive.

Geography: .

We will be ending our topic
on the continents and
oceans with some globe and
atlas work.

Reminders

Christmas play!

Please make sure any
remaining costumes are sent
in as soon as possible:
everything named and
everything in a named bag.

Thank you!

Friday is also Christmas
jumper day.
