What we were learning before half term	What we are learning next week	Notices
<p>Maths: we have been looking at sequences of items and creating patterns, We also looked at position and direction.</p> <p>Literacy: we wrote information leaflets based on our class book, drawing on the vocabulary learnt.</p> <p>Science: We looked at the definition of a habitat and thought about what an Arctic habitat looks like.</p> <p>Geography: We looked at the physical features of the Arctic.</p>	<p>Maths: we will be looking at direction by focussing on clockwise and anticlockwise turns.</p> <p>Literacy: We will be letter writing based around our class book.</p> <p>Science: We will be continuing our habitat work by looking at different types of habitat.</p> <p>Geography: We will be studying the animals and people of the Arctic.</p>	<p style="text-align: center;">Reminders</p> <p>I was so impressed by the whole school attitude to the Daily Mile. Each child really pushed themselves: to run rather than walk or to complete two miles rather than one. Every child should be super proud of their efforts. Please can all sponsorship money be collected and handed in this week to the class teacher.</p> <p><u>*PE*</u> Please make sure your child's PE kit is always in school. PE is taught twice a week; either Monday & Tuesday or Tuesday & Wednesday.</p> <p>Please make sure <u>reading records</u> stay in bags so the children have their log in details to hand for purple mash/times too/accelerated reader etc</p>
