(Above and Beyond for all)

What we were learning before half term	What we are learning next week	Notices
<p>Maths: we have been looking at fact families for multiplication and division. We have been using our reasoning skills to explain our answers.</p> <p>Literacy: we read our new book, a planet full of plastic, and have started with vocabulary work, collaborating on word rounds and using dictionaries to find definitions</p> <p>Science: We made food chains, looking at how the start of a food chain is a plant who get their energy from the sun.</p> <p>Geography: We went to the Arctic to discover how many countries are actually partly inside the Arctic circle. We located it on a globe and a map. We looked at the cities and villages within the Arctic circle and their features.</p>	<p>Maths: we will be looking at position and direct this week.</p> <p>Literacy: We will start writing our information leaflets based on our book.</p> <p>Science: We will be looking at an Arctic habitat and the plants and animals that live there.</p> <p>Geography: We will be studying the physical features of the Arctic.</p>	<p style="text-align: center;">Reminders</p> <p>The whole school will be trying to complete a daily mile this week at lunchtime to raise money and awareness for Sport Relief.</p> <p><u>*PE*</u> Please make sure your child's PE kit is always in school. PE is taught twice a week; either Monday & Tuesday or Tuesday & Wednesday.</p> <p>Please make sure <u>reading records</u> stay in bags so the children have their log in details to hand for purple mash/times too/accelerated reader etc</p>
