

Fabulous Flamingos in Flight!

Newsletter - 29th June 2020

Hello to Flamingos and New Flamingo Chicks!

Another week has flown by and the sun has been shining for the most of it! I really hope all of you had time to go outside and enjoy our wonderful world.

I have added a link for you to watch BBC David Attenborough and Wonderful World <https://www.youtube.com/watch?v=B8WHKRzkCOY> just to remind us all of the wonderful things to be thankful for.

Reception Bubble and Home Learning

Children working in school and at home have had opportunities this week of thinking about Dragons in Maths with Zog. Be sure to look for the sea dragons in the Wonderful World Link they are beautiful.

Commotion in the Ocean saw some great work being shared in literacy. I think Mrs Tuma and Mrs Harnden have really enjoyed this book!

This week we are working with the book - Barry the Fish with Fish Fingers!

Reception Children- you will be thinking about lots of drawing and labelling of words using your phonics to help you and writing sentences.

Look at This!
Oh my goodness - Dora came to School!
Thinking about how we use our gentle hands to look after a new little friend.

We are Creative!
Commotion in the Ocean under the sea paintings.

This week certificates were awarded to:
Olivia - for her amazing maths interactions and taking up further challenges.

Please keep sharing your work on Tapestry so that I can send more home learning certificates home!

Year 1 Bubble and Home Learning.

Children working in school and at home have had opportunities this week of thinking about counting to 100 and comparing numbers. This week they are recognising coins and ordering numbers - all worksheets are located in the file section after the Summer2 Newsletter.

Commotion in the Ocean saw some great work being shared in literacy. This week we are working with the book - Barry the Fish with Fish Fingers!

Extended writing opportunities for Year 1 are found in the Literacy files under Summer 2 Newsletter on the website.

This week certificates were awarded to:
Henry G- for his amazing work sending letters to grandma independently until mummy ran out of stamps!

Please keep sharing your work on Tapestry so that I can send more home learning certificates home!

And Finally, a note from Miss Ellis who is working with the Year 1 Bubble following Flamingo plans

Reading Books:

I will send a book home at the weekend to come back on Monday's please but the rest of the week we will read daily in school and keep books there to save so many books racing back and forth. I have started temporary reading records in class to log what they are reading with me.

The year one group in school this week were absolutely brilliant. It was the first week they had worked with me and they were all quick to demonstrate what wonderful, creative children they are. We loved *Commotion in the Ocean* and started to develop some new underwater characters and scenarios. Heads were down and pencils were scribbling as we wrote about dolphin schools, stingray police, criminal sharks, underwater racetracks and octopus traffic control. I can't wait to see what we achieve next week!
