

Friday Bulletin

21st July
2020

Message from Miss Stedman Well, hasn't it been a challenging few months for us all?! I hope that this last bulletin of the year finds you all fit and healthy and ready for a much needed rest from home learning. The staff and I would like to thank you for your commitment to the home learning, we know it's been tough and some weeks have been better than others but you've got there!

We are really looking forward to having all of the children back in September, initially in their 'old classes' for the 4th September, a chance to draw a line under this difficult year and then on to the 'new classes' on the 7th September.

We hope you have a lovely summer, stay safe and we'll see you soon.

Emergency Contact details and Medical Information Could you please advise the Office if you or any of your emergency contacts have changed their telephone number, email or address so we can amend our records. Also, if your child has any new medical conditions, conditions have altered or any allergies, please contact the Office with the details, as it is imperative that our records are up to date. Thank you.

Year 6 It will be very sad to say goodbye to the Year 6s today who have worked extremely hard in very difficult circumstances this year. We will miss you, however, we all wish you the very best of luck moving onto High School. We look forward to hearing how you are all getting on.

Leavers there are a few children moving on to new schools in September. We will miss you but wish you continued success as you start your new classes in September. Good luck!

Water Bottles Please note that your child can use their existing water bottle, get a replacement at a cost of £1.00 or you can provide a water bottle of your own. Please name them.

Outstanding Payments Please ensure any outstanding payments are made through ParentMail asap.

Universal Free School Meals Pupils moving into Year 3 in September will no longer be eligible for the Universal School Meal Programme (UFSM). Under the current government scheme, these are only available to Reception and Years 1 and 2.

If you are a parent of a Year 3, 4, 5 or 6 child and are on a low income, you may be entitled to Free School Meals (FSM). I would like to reassure parents that any information regarding FSM is confidential. Please check the attached sheet to see if you are eligible.

For those not eligible for UFSM or FSM, School lunches are available and drinks can be

purchased by the children at mealtimes.

Clive is passionate about providing every child with a healthy and nutritious diet and goes to inordinate lengths to ensure this is the case. Please make contact if your child has any special dietary needs. He will always adapt hot lunches/school packed lunches to cater for these, so you can be assured your child's needs are met.

The Friends' We would like to say a very big thank you to The Friends' who work tirelessly to raise funds for the school. They have been extremely busy working on the bus this year and we thank them tremendously for their efforts along with supporting us by buying resources for the children. It is very much appreciated by the School.

Afterschool and Breakfast Club Please note that clubs will commence on Monday 7th September 2020. Can you please complete an afterschool form and forward to the Office and continue to book Breakfast Club through ParentMail.

Uniform Parents are asked to ensure their children remove nail varnish before coming to school in the morning and appropriate school uniform is worn in September.
