

The Bawburgh School

Summer Newsletter
Above and beyond for all

Hello Hummingbirds,

Here we are, we have made it to the summer holidays! Well done everybody for all your hard work and resilience for what has been a very tricky year. Thank you to all the year 5 children who attended their transition meetings, I thoroughly enjoyed spending some time with you and having some fun. I especially enjoyed meeting Ham and playing 2 Truths, 1 lie, you had all thought about the game very carefully and tried to trick us! It was also lovey to hear about all the things you have been proud of and your special memories. I know lots of you enjoyed our evacuee trip all those months ago!

I would also like to take some time to say a fond farewell to our year 6 children. You really have impressed me with your resilience over these past few weeks and made me extremely proud. This is probably not the end to your primary school journey that you were expecting, and you have had to miss out on so much. However, you have all come into school with smiles on your faces and made these last few weeks extremely pleasurable. I have very much enjoyed teaching you for the past two years and you will be missed by all the Bawburgh family. Good luck to you all with your move to secondary school and embrace every opportunity. Remember to approach every new challenge with a growth mindset!

Top Spellers and Mathstronauts

Our final leader boards of the year! Well done to Jessica and Mia B for making it to our top spots this week. I am also very pleased to see Ella in our top 3 spellers for the most time! Well done to you all.

Top Spellers

#	Avatar	Pupil	Groups	Score
1.		MiaB		25,841,564
2.		Lily		24,022,388
3.		Ella		11,639,032

Top Mathstronauts

#	Avatar	Pupil	Groups	Score
1.		Jessica		117,538
2.		Noah		101,691
3.		Merryn		12,000

Accelerated Reader

Another huge congratulations to Merryn for achieving her diamond award and prize, your commitment and love of reading has really impressed me! Year 5, the assessment period will end on the last day of August so you still have plenty of time to work towards your targets.

Parents, I have supplied a couple of workbooks for over the summer holidays which will support the children with practising key Maths and English skills linked to the year 5 curriculum. Please do encourage your children to continue with their reading over the summer. Thank you again for all of your support and kind words throughout this period. I very much look forward to welcoming the children back in September.

I hope you all have a wonderful and relaxing holiday.

Best wishes

Mrs Maudlin
