Remote Learning Parent Survey thank you to all of you who took the time to complete our remote learning survey. Your comments will help us to plan our remote learning offer for a bubble closure and a full lockdown. There were many comments relating to key worker status, currently we do not know what the guidance will be if there is another full scale lockdown, however I do know they are very reluctant to close Primary schools again.

New Covid 19 email address if you have a positive test result please email covid@bawburgh.norfolk.sch.uk at any time to let us know. It is important that you use this email address so that we are able act promptly.
