Covid 19 email address if you have a positive test result please email covid@bawburgh.norfolk.sch.uk at any time to let us know. It is important that you use this email address so that we are able act promptly. This email will be checked during and out of school hours.

A reminder, if anyone living in your family home (adult or child) has to take a Covid-19 test due to displaying one of the three symptoms, **everyone** needs to stay at home and isolate until you receive the test results. It is not OK to send your child into school if you know someone else living in your family home has taken a test and are awaiting results.

Even if your child is not accessing the school's Critical Worker Povision please can you let the school know if you have a positive case in your household.

Well done! on reaching the end of half term. You have all done an amazing job of the keeping the children motivated and supporting them whilst balancing your work commitments. We are immensely proud of the children and so very grateful for your on going support in very challenging circumstances. Enjoy a very well deserved half term break and we look forward to seeing the childrens faces via Zoom on Monday 22nd February.

We exceeded our target which is amazing and have also been given another £500 by Bawburgh youth club so a massive thank you to them too! The page will keep running until the 28th February so there is still time to donate if you wish to:
