Academic Year 2021-22 Following on from the announcement this week, we are now waiting for updated guidance from the local authority and health and safety. All we do know is that they want us to continue as we are until the end of term. I know this will cause some of you frustration, especially around drop offs in the morning and where you stand with your child/ren to wait. Please just bear with us, we only have a week left of term and then hopefully we will be able to return to pre-covid times in September. There is a meeting planned for Norfolk Headteachers on the 1st September where the local authority will confirm (with more certainty) how schools are to operate in September, after which a letter will come via ParentMail to you detailing arrangements.

Transition afternoon All children had the opportunity to meet their new teacher and year group partners this afternoon. Unfortunately, due to the rain, activities stopped short of the full afternoon. However, prior to the rain, the children were happy and fully engaged in the planned activities. If you have any questions for you child's new teacher please contact the school office to make an appointment.

Into Opera The children and staff had the most amazing couple of days for the Norfolk Into Opera Schools Festival this week. The festival spirit well and truly descended on our school. The children took part in singing and dance workshops, they had their faces painted, we challenged an opera singer, two days of festival lunches and an ice cream van turned up. The children were off timetable and working on creative projects in each classroom. I know the teachers will have shared photos with you on Dojo and Tapestry, but if you want to see more, check out our Twitter page for our tweets over the two days, @BawburghSchool

School Reports End of year school reports went home last Thursday, if you haven't received one for your child/ren please contact the school office.
Please can you complete the google form to acknowledge receipt. Thank you.

A reminder, if anyone living in your family home (adult or child) has to take a Covid-19 (PCR) test due to displaying one of the three symptoms, **everyone** needs to stay at home and isolate until you receive the test results.
