Chair of Governors: Mr S. Kelly

18/10/2021

Dear Parents/Carers

Following a change in my career and working pattern, I am writing to confirm my resignation as Chair of Governors. I will be returning back to my role as the Vice Chair and I will continue to support the Board for the foreseeable future.

During my tenure I have seen an immense positive change at Bawburgh including the continued review of the school curriculum, the change in teaching methods, due to the continuation of Home Learning, and several improvement project such as the School Bus.

Bawburgh has always been a superb school blessed with a dedicated team of staff, wonderful children and supportive parents. With these strong foundations I am certain that the school will continue to move forwards.

I am delighted that Chris Scott, who has served a Vice Chair, will become the new Chair of Governors and I will support him, the Board and the staff in any way I can.

With best wishes,

Stuart Kelly

The Bawburgh School
