Key Stage 2 SATs As you know it has been test week for year 6. All the staff are incredibly proud of the enormous effort every child put into their tests. The tests are very challenging both academically and emotionally, yet the children have been a huge credit to the school and their families through their attitude and determination. Many thanks for all your support during this time. End of Yr 6 SATS We will be holding a special lunch for Hummingbirds children on Wednesday 18th May to say well done and thank you for Year 5 and 6 pupils during SATS week. There is no charge for this event.

Pupil Premium Do you know about Pupil Premium? If you think your child may be eligible for any of the following, please contact Miss Stedman or the Office to discuss in the strictest of confidence.

Free School Meals - Families who receive certain benefits may be eligible for FSM. Registering for Free School Meals could raise extra valuable funds for the school to support extra tuition, additional teaching staff or after school activities.

Adopted - Children in alternative provision funded by the Local Authority who were adopted from local authority care or who have left care under a special guardianship or care arrangement order are eligible to attract pupil premium. This is paid to the school to help provide specific support to raise attainment and address the wider needs of vulnerable children.

Service Pupil Premium - SPP is money paid directly to schools for supporting service children.

Outstanding Payment for dinners and drinks School meals, drinks and tuck must be paid for in advance of these being taken. Payment must be made via ParentMail. Our bad debt policy procedures will apply as follows -

Where a family has incurred a debt for school lunches and/or drinks, school will stop providing lunches and drinks until full or part payment has been received. The limit is as follows:

School lunches a debt of £23.00 - which equates to 10 lunches/2 weeks

Drinks cartons at lunch time and tuck, a debt of £10.00

Please contact the Office if you are experiencing difficulties, so we can arrange a payment plan to assist. An application form is attached for completion and return if you are eligible for free school meals. Any application is treated in the strictest confidence.

Covid Now that all guidance has been withdrawn I thought that I would share with you our school's policy (Norfolk's) on Covid in schools:

- If your child has [symptoms of a respiratory illness](#), and a high temperature, and you feel they are not well enough to attend school, stay at home and avoid contact with people until they are well enough to resume normal activities and no longer have a high temperature (and no longer need medication to reduce a temperature).
- [Children and young people \(aged 18 years and under\) who have mild symptoms of a respiratory infection](#) such as a runny nose, sore throat, or slight cough, who are otherwise well, can continue to attend their education setting.
- Adults and children who have experienced diarrhoea or vomiting should stay away from school for two days after symptoms have gone.
- If you have access to tests and [test positive for COVID-19 and are an adult](#) you should stay at home and avoid contact with other people for at least 5 days after the day your test was taken (or longer if you are still poorly/have a temperature), which is when you are most infectious. Or for 3 days [for children and young people aged 18 and under](#) (or longer if you are still poorly/have a [high temperature](#)). More detail is available on [GOV.UK](#).
- Children and young people who usually go to school, college or childcare and who live with someone who has a positive COVID-19 test result should continue to attend as normal. There is no need to isolate.
- Regular asymptomatic testing ceased in most mainstream settings in February and from 1 April is no longer recommended in any education or childcare settings, including in SEND, alternative provision and children's social care settings.

Sandringham Trip Did you know that King Edward VII ordered that all clocks on the estate be set half a hour ahead of Greenwich Mean Time? We, however, can not be late as we have strict time slots to visit the house! Can you please ensure that you arrive at school at 8-8.05 a.m. as the coach will leave promptly at 8.20 a.m. and can not wait! Don't forget to bring a packed lunch or if you have ordered Clive's packed lunch, a rucksack to carry it in. Hopefully, the children will have a fabulous day in this historic Platinum Jubilee year.

Stocks Hill is going to be closed for 5 days from May 23rd. Please allow extra time for your journey.

Please note there is no afterschool club on this day (23rd May 2022)

Staff Carpark Can we please ask that you do not use the staff carpark to drop off or pick up your children from. Thank you.

School Trips Don't forget to complete the consent forms and make payment on ParentMail for any school outings.
