Key Stage 2 SATs advanced notice that Year 6 will be sitting their SATs week beginning Monday 9th May, further information will be sent to parent's of our year 6 children separately. I'm sure, like all of the staff here you would want to wish our fantastic Year 6s the best of luck.

Outstanding Payment for dinners and drinks School meals, drinks and tuck must be paid for in advance of these being taken. Payment must be made via ParentMail. Our bad debt policy procedures will apply as follows -

Where a family has incurred a debt for school lunches and/or drinks, school will stop providing lunches and drinks until full or part payment has been received. The limit is as follows:

School lunches a debt of £23.00 - which equates to 10 lunches/2 weeks

Drinks cartons at lunch time and tuck, a debt of £10.00

Please contact the Office if your are experiencing difficulties, so we can arrange a payment plan to assist. An application form is attached for completion and return if you are eligible for free school meals. Any application is treated in the strictest confidence.

Covid Now that all guidance has been withdrawn I thought that I would share with you our school's policy (Norfolk's) on Covid in schools:

- If your child has [symptoms of a respiratory illness](#), and a high temperature, and you feel they are not well enough to attend school, stay at home and avoid contact with people until they are well enough to resume normal activities and no longer have a high temperature (and no longer need medication to reduce a temperature).
- [Children and young people \(aged 18 years and under\) who have mild symptoms of a respiratory infection](#) such as a runny nose, sore throat, or slight cough, who are otherwise well, can continue to attend their education setting.
- Adults and children who have experienced diarrhoea or vomiting should stay away from school for two days after symptoms have gone.
- If you have access to tests and [test positive for COVID-19 and are an adult](#) you should stay at home and avoid contact with other people for at least 5 days after the day your test was taken (or longer if you are still poorly/have a temperature), which is when you are most infectious. Or for 3 days [for children and young people aged 18 and under](#) (or longer if you are still poorly/have a [high temperature](#)). More detail is available on [GOV.UK](#).
- Children and young people who usually go to school, college or childcare and who live with someone who has a positive COVID-19 test result should continue to attend as normal. There is no need to isolate.
- Regular asymptomatic testing ceased in most mainstream settings in February and from 1 April is no longer recommended in any education or childcare settings, including in SEND, alternative provision and children's social care settings.

Ducklings This week in Flamingos we have welcomed some new additions to the class. On Tuesday afternoon we had a delivery of 5 duck eggs ready to hatch. Things moved very quickly and later that day we welcomed our first duckling into The Bawburgh School. The other 4 quickly followed suit and are now all settled into their new environment. We had lots of ideas for names but finally settled on 5 today. So I would like to introduce you to Zorro, Sparkle, Donald, Maverick and Sunny! They will be staying with us until next Friday.

School Trips Don't forget to complete the consent forms and make payment on ParentMail for any school outings.

2022 Challenge If you have any outstanding funds for the challenge, can you please drop it into the Office by Friday 6th May. We have raised £1026 so far! Thank you.
