Whole School Performance This will take place on Thursday 14th July at 2pm and 6pm. Please note that the whole school will be involved in the production. Tickets are on sale now on ParentMail shortly. Parents will need to decide whether to attend the afternoon or evening performance or whether they would like to have 1 place for the afternoon and 1 for the evening. Unfortunately, due to health and safety regulations and shortage of space, we will be unable to accommodate pushchairs/buggies in the hall. Parents needing to bring these to school will be asked to leave them in the reception area. Tickets cost £1.00 each. Order early as tickets are limited.

The Friends We are very excited to announce that today 'The Friends of Bawburgh School' won the National PTA Awards, 'PTA of the Year award'!!! The £1,000 prize will take us a step closer to the trim trail.

We were also delighted to win the 'changing the life of the school award' for the Big Ideas Bus project - a well earned £250 - again towards the trim trail ☺

Thank you to everyone who voted for Clive in the 'volunteer of the year award', there was some tough competition and sadly he wasn't the overall winner - but we are so proud that he was shortlisted as a finalist and will always be a winner in our eyes!

The Friends Please support this brilliant lottery and be in with a chance to win great prizes including the top prize of £25,000. Each ticket helps the Friends raise money which is currently going towards the new trim trail! Be in it to win it! X

Covid Now that all guidance has been withdrawn I thought that I would share with you our school's policy (Norfolk's) on Covid in schools:

- If your child has [symptoms of a respiratory illness](#), and a high temperature, and you feel they are not well enough to attend school, stay at home and avoid contact with people until they are well enough to resume normal activities and no longer have a high temperature (and no longer need medication to reduce a temperature).
- [Children and young people \(aged 18 years and under\) who have mild symptoms of a respiratory infection](#) such as a runny nose, sore throat, or slight cough, who are otherwise well, can continue to attend their education setting.
- Adults and children who have experienced diarrhoea or vomiting should stay away from school for two days after symptoms have gone.
- If you have access to tests and [test positive for COVID-19 and are an adult](#) you should stay at home and avoid contact with other people for at least 5 days after the day your test was taken (or longer if you are still poorly/have a temperature), which is when you are most infectious. Or for 3 days [for children and young people aged 18 and under](#) (or longer if you are still poorly/have a [high temperature](#)). More detail is available on [GOV.UK](#).
- Children and young people who usually go to school, college or childcare and who live with someone who has a positive COVID-19 test result should continue to attend as normal. There is no need to isolate.

Regular asymptomatic testing ceased in most mainstream settings in February and from 1 April is no longer recommended in any education or childcare settings, including in SEND, alternative provision and children's social care settings.
