School Attendance by Class

(Our whole school target for 2021-22 is 97%)

Flamingos 97.1% Kingfishers 96.2% Jackdaws 96.8% Hummingbirds 94.0%

Whole School Attendance this week is 96%

Each week the class with the highest attendance will win a £10 voucher, this can be saved and spent on whatever they would like for their class.

This weeks £10 voucher goes to Flamingos

Punctuality Awards will be announced next week

Dojos for punctuality will be awarded to everyone who had 100% punctuality next week.

Class Organisation 22-23

Next year the classes will be as follows:

Flamingos (Reception) Mrs Dring/Mrs Tuma

Kingfishers (Year 1/2) Miss Ellis/Mrs McGregor

Jackdaws (Year 3/4) Mr Johnston/Ms Evans

Hummingbirds (Year 5/6) Mrs Wilson/Mrs Maudlin/Miss Lofts

Mrs Holgate will continue to support across the school.

We will be saying goodbye to Mrs Vincin-Smith at the end of the academic year, who supports in Hummingbirds three mornings a week. She will be missed and we thank her for her expertise. We wish you well in your future endeavours and hope that you visit us when you can!

Whole School Performance

This will take place on Thursday 14th July at 2pm and 6pm.

Please note that the whole school will be involved in the production. Tickets are are sale now on ParentMail shortly. Parents will need to decide whether to attend the afternoon or evening performance or whether they would like to have 1 place for the afternoon and 1 for the evening. Unfortunately, due to health and safety regulations and shortage of space, we will be unable to accommodate pushchairs/buggies in the hall. Parents needing to bring these to school

will be asked to leave them in the reception area. Tickets cost £1.00 each. Order early as tickets are limited.

Iron on Badges Our school uniform badges have arrived and cost £1.45 each. If you require any, please contact the Office.

Bawburgh Village Duck Race The Village Duck Race will be held this year on Saturday 9th July for the first time post Covid. Traditionally the children make boats to race on the day. Could we ask the children to bring in materials from home, boxes, milk bottles etc ready to make their boats in class next week.

School Trips As the School is getting back to "normal" we are aware that there are lots of school trips communications and payment requests. School trips widen the children's knowledge and broaden their horizons. We believe that cutting back or abandoning trips would have a detrimental impact for the children. As you are aware costs have greatly increased and unfortunately that includes coach and event hire. We do not make any "profit" on trips and have always subsidised them. If you would like to discuss further, please do not hesitate to contact me.

The Friends Please support this brilliant lottery and be in with a chance to win great prizes including the top prize of £25,000. Each ticket helps the Friends raise money which is currently going towards the new trim trail! Be in it to win it! X

Afterschool Club Please note that there is no paid afterschool club on 19th July 2022.

Covid Now that all guidance has been withdrawn I thought that I would share with you our school's policy (Norfolk's) on Covid in schools:

- If your child has [symptoms of a respiratory illness](#), and a high temperature, and you feel they are not well enough to attend school, stay at home and avoid contact with people until they are well enough to resume normal activities and no longer have a high temperature (and no longer need medication to reduce a temperature).
- [Children and young people \(aged 18 years and under\) who have mild symptoms of a respiratory infection](#) such as a runny nose, sore throat, or slight cough, who are otherwise well, can continue to attend their education setting.
- Adults and children who have experienced diarrhoea or vomiting should stay away from school for two days after symptoms have gone.
- If you have access to tests and [test positive for COVID-19 and are an adult](#) you should stay at home and avoid contact with other people for at least 5 days after the day your test was taken (or longer if you are still poorly/have a temperature), which is when you are most infectious. Or for 3 days [for children and young people aged 18 and under](#) (or longer if you are still poorly/have a [high temperature](#)). More detail is available on [GOV.UK](#).

- Children and young people who usually go to school, college or childcare and who live with someone who has a positive COVID-19 test result should continue to attend as normal. There is no need to isolate.

Regular asymptomatic testing ceased in most mainstream settings in February and from 1 April is no longer recommended in any education or childcare settings, including in SEND, alternative provision and children's social care settings.
