Dear Parents/Carers,

Staffing Change in January 2023

I am writing to let you know that from January 2023 and for the rest of the academic year Mr Johnston will be seconded to the role of Senior Teacher at Barford Primary School. This is an exciting opportunity for him and I am sure you will join me in wishing him success in his new role.

Mr Johnston is an aspiring leader and would naturally be looking to gain experience as a member of the senior leadership team. As a small school, opportunities to do this are rare and we are very pleased to be able to support our colleague in this area. In this way, we are able to retain an experienced teacher and provide him with valuable professional development, one of the collaboration agreement aims within our partnership. Mr Johnston will continue to work with Bawburgh on areas of the curriculum and as our partnership grows over the coming terms, teachers and children will be working together more frequently.

Whilst this is an excellent opportunity for Mr Johnston, I do understand that this may cause the children and parents in Jackdaws some unrest. The children in Jackdaws have been told today of the changes and we will support them and answer any questions they may have over the next half term. An advert will go live at the end of this week for a temporary experienced teacher and I will let you know as soon as we have been able to recruit.

Should you wish to discuss this further please make an appointment to see me with the office.

Thank you for your on-going support.

Yours sincerely

Carla Stedman
Executive Headteacher
The Bawburgh School
