The Circus Not long now until the big top arrives and the circus moves in to Bawburgh School!

A big thank you to all those who have bought tickets so far for what promises to be a really fun day and a 'once in your primary school time' event.

If you haven't already, please do order tickets to join us - bring friends, bring family - there's no where else you could see a professional circus and have a legendary hot dog from Clive for such a bargain price :)

Tickets £7 (under 2's on laps free) from: the-friends-of-bawburgh-school.sumupstore.com

As well as being a great event, this is also a fab opportunity to raise funds for the school and so we will be running a few stalls alongside the circus and would appreciate your help.....

A Parentmail has all ready gone out with a volunteer sign up sheet, if you think you might be able to man a stall, even if just for a short while, please do sign up.

Other ways you can support this event:

- Donate tombola prizes - please drop off at reception
- Donate teddies for the teddy tombola - also welcome at reception
- Bring a cake or some baked goodies for the cake stall - either bring on the day or to reception the day before

The Friends The Circus will soon be in town! This will be a fun event for all the family! The Friends need your help though with manning stalls and making sure everything runs smoothly on the day! A link has been sent on Parentmail with a volunteer sign up sheet! Please have a look and put your name down for something, these events can't run without your help and the money raised helps buy things which your children benefit from!

Alternatively speak to either Kate (Eleanor and Henry's mum!) or Rachel (Orla and Isaac's mum!) or speak to reception and they will contact us!

Key Stage 2 SATs As you know it has been test week for year 6. All the staff are incredibly proud of the enormous effort every child put into their tests. The tests are very challenging both academically and emotionally, yet the children have been a huge credit to the school and their families through their attitude and determination. Many thanks for all your support during this time. End of Yr 6 SATS We will be holding a special lunch for Hummingbirds children on Tuesday 16th May to say well done and thank you for Year 5 and 6 pupils during SATS week. There is no charge for this event.

Emergency Contact Details Could you please advise the Office if you or any of your emergency contacts have changed their telephone number, email or address so we can update our records accordingly. It is important that we have at least 2 emergency contacts for each pupil.

Pupil Premium Do you know about Pupil Premium? If you think your child may be eligible for any of the following, please contact Miss Stedman or the Office to discuss in the strictest of confidence.

Free School Meals - Families who receive certain benefits may be eligible for FSM. Registering for Free School Meals could raise extra valuable funds for the school to support extra tuition, additional teaching staff or after school activities.

Adopted - Children in alternative provision funded by the Local Authority who were adopted from local authority care or who have left care under a special guardianship or care arrangement order are eligible to attract pupil premium. This is paid to the school to help provide specific support to raise attainment and address the wider needs of vulnerable children.

Service Pupil Premium - SPP is money paid directly to schools for supporting service children.
