The Circus Not long now until the big top arrives and the circus moves in to Bawburgh School!

A big thank you to all those who have bought tickets so far for what promises to be a really fun day and a 'once in your primary school time' event.

If you haven't already, please do order tickets to join us - bring friends, bring family - there's no where else you could see a professional circus and have a legendary hot dog from Clive for such a bargain price :)

Tickets £7 (under 2's on laps free) from: the-friends-of-bawburgh-school.sumupstore.com

As well as being a great event, this is also a fab opportunity to raise funds for the school and so we will be running a few stalls alongside the circus and would appreciate your help.....

A Parentmail has all ready gone out with a volunteer sign up sheet, if you think you might be able to man a stall, even if just for a short while, please do sign up.

Other ways you can support this event:

- Donate tombola prizes - please drop off at reception
- Donate teddies for the teddy tombola - also welcome at reception
- Bring a cake or some baked goodies for the cake stall - either bring on the day or to reception the day before

The Friends The Circus will soon be in town! This will be a fun event for all the family! The Friends need your help though with manning stalls and making sure everything runs smoothly on the day! A link has been sent on Parentmail with a volunteer sign up sheet! Please have a look and put your name down for something, these events can't run without your help and the money raised helps buy things which your children benefit from!

Alternatively speak to either Kate (Eleanor and Henry's mum!) or Rachel (Orla and Isaac's mum!) or speak to reception and they will contact us!

Trim Trail The trim trail has arrived!

We are excited to announce that the new trim trail is now in place and available for the children to use in break times from this week. It is looking fantastic and has been received with much excitement by the children.

A heartfelt thank you from the Friends for all the support from the whole school community in making this possible. In the end we fundraised £10,000 in just over a year - a huge achievement for a school of our size, i'm sure you'll agree. This was only made possible by parents getting involved in all the activities that the Friends organised - your support has made this happen.

With special thanks also to the Bawburgh Golf club who really helped us by removing the old trim trail and allowing us to be one of the charities at their charity golf day.

The next fundraising project is never far away - from bus conversions to books, sports kit to play equipment - the fundraising of the Friends will continue to contribute to enriching the primary school experience of all of our children - please do continue to support this important part of school life (.....Circus tickets still available.....)

A request from Flamingos To further develop our children's interest and skill in writing outside the classroom we are creating writing backpacks for the Flamingos. If you have any child size rucksacks that you are willing to donate they would be greatly appreciated! Preferably, the rucksacks will be able to fit an A4 sized notebook in however, any smaller bags are also welcome.

Chewing Gum Please note that no chewing gum should be brought into school.

Outstanding Payment for dinners and drinks School meals, drinks and tuck must be paid for in advance of these being taken. Payment must be made via ParentMail. Our bad debt policy procedures will apply as follows -
