**Federation Games** We have been planning opportunities for the children at both schools in the Federation to work together. Both schools have been attending sporting events and other outings alongside each other but we hope the Federation Games will give them an opportunity to work together, compete with each other and visit the other school site as well.

The first Games will take place on Thursday 15th February. These will be hosted by The Bawburgh School and will be for Key Stage 2.

There will be an introductory assembly in the hall at 9.15 then the children will be grouped into houses and 'merged' with the same house colour at Barford. Groups will be made up of children from Y3,4,5 & 6.

They will work together to complete a carousel of activities and win points for their houses.

There will be a presentation at lunchtime before our visitors return back to Barford at around 12.15pm.

In the event of rain we will postpone the event.

We are really excited to bring all the children together. Space is limited so Key Stage 1 will take part in the second Federation Games which will be hosted by Barford Primary on Friday 26th April.

This will follow the same format and we will send out further information nearer the time.

We hope this is the first of many successful sporting events across the federation.

**Measles outbreaks** There has been recent localised outbreaks of measles centred around the West Midlands. See UKHSA guidance on [Gov.uk](https://www.gov.uk)
