Ofsted The staff and I would like to thank you all for your overwhelming support during our Ofsted visit earlier this week, it meant so much to all of us. The full report should be with us within 30 working days and I look forward to sharing the outcomes with you when I am allowed to. The Ofsted inspectors were very impressed with the children; comments like 'they are lovely', 'articulate' and 'very engaged with their learning' were mentioned many times throughout the two days.

Consents/Trip lunch orders Could we please ask that if you are sent any trip consent forms or trip order forms these are completed before the deadline date. Thank you.

Olivia in year 6 was so inspired by Harvest festival she brought some of her own home grown produce in to display. Well done Olivia, the Turban Pumpkin is amazing!

World Mental Health Day World Mental Health Day takes place on Thursday 10th October. As part of the day, the National Literacy Trust promotes the Take 10 To Read initiative, due to the known links between reading for pleasure and positive mental health. All classes will be Taking 10 To Read during the day and having the opportunity to enjoy some reading for pleasure time. Obviously we have books in school for children to read but if your child is in the middle of a book at home that they would like to bring in, or has a particular favourite, please encourage them to bring it with them for the day.

The symbol for World Mental health Day is a green ribbon. This is also the colour of the Calm Colour Monster. In return for a donation, children may come to school wearing an item of green clothing in place of their normal school uniform. All donations will be used to purchase sensory items for use in classrooms to help the children.
