Message from Mrs Bailey Hopefully you will have seen the post from Shuri on Class Dojo. If you haven't, may I highlight the following -

"I know that not everyone likes dogs and some people are allergic to us. My humans want to make sure we have an up to date record of everyone who might be affected by me. That includes mild allergies and children that might be nervous. That's so that we can all stay safe and happy. Please send Mrs Bailey a Dojo or an email to let her know, or pop into the office."

FACE Family Advice Attached is the FACE Family Advice timetable for February. We have had some good feedback from parents who have accessed these sessions so do please give them a go. And let us know what you think!

FACE offers parents practical advice, information and support, across a wide range of topics, including supporting neurodiverse children, understanding emotions and managing behaviour.

Go to facefamilyadvice.co.uk. Go to PARENTS – Live talks page.

Accessing the talks free of charge: BB011025

This can be used by any parents or staff from our school for unlimited access to all the regular FACE Parent Talks (usually £24 each). The code cannot be used on any other FACE services and must not be shared with parents or staff from other schools.

At the payment stage of booking, add the school code where it says ADD PROMO CODE. This will drop the price from £24 to £0.
