Our School History We are delighted to advise you that The Bawburgh School was opened on 27th March 1876. We are proud to have nurtured generations of pupils, to have inspired curiosity and create lifelong memories. To honour this special occasion on Friday 27th March 2026 we will be displaying the original 1876 registers. If you or your family have any memorabilia or photos of the school from 1876 onwards, we would love to include them. We would like the children to come in Victorian style dress for the day to add to the occasion. Please note that if your child does not want to come in Victorian dress, they can come in their school uniform instead. We are planning a very special tree planting ceremony, a time capsule, Victorian games and more!

Parents are cordially invited to come and see the display in the school hall at drop off.

Federation Games 23.03.26 Flamingos and Kingfishers Unfortunately, we have had to postpone the Federation Games on 23rd March. We will advise you of a revised date in due course.

Active Canaries Day The school was a riot of yellow and green colour on Thursday for the active canaries day. At lunchtime, the sports leaders set up lots of stations for the children try different sporting activities, which they thoroughly enjoyed. Some of the children heartily ate the special Canaries themed lunch. Please look out for the menu cards in their bags. You may want to make the recipes at home!

Summer Term starts 13th April As the warmer weather arrives (we hope), the children will need to keep safe in the sun. Please send in a named sunhat for your child. This will be kept in school to ensure protection is available at all times. A named, small tube or bottle of sun cream may also be sent in. Due to time constraints staff cannot apply sun cream, however the children will be encouraged to apply it themselves when appropriate.
