End of Term We hope you have a lovely, relaxing Easter Holidays and we will see you on Monday 13th April.

150 Year Celebrations What a joyous day the children have had! It started with breakfast club enjoying a Farthing Breakfast. Rolls and hot chocolate were enjoyed and thankfully, no gruel, in sight! The bell was rung on the playground with boys entering the school through a different door to the girls. It was then time for morning inspection. Fingernails, shoes and hair were checked for cleanliness. Lessons included The Three Rs and classroom discipline was strictly adhered too! Jackdaws made rock cakes, which looked delicious! All the children made drawings, which were added to the time capsule, together with a Lego monkey, dinner menu and copy of the Friday Bulletin! They then watched this being buried. We wonder what year this will be dug up in the future? They also planted a rare black poplar tree and The Bawburgh School commemorating plaques were placed for all to see. The Sports Leaders put together a variety of Victorian Parlour Games, including dominos and charades, which all of the children got to experience. The display of registers and photos enthralled us all (the school closed for a week due to an outbreak of Scarlet Fever) and later in the day, the children were given a special cupcake and medal. Ed Balls, former MP and Strictly star (danced Gangnam Style) who attended our school, sent an endearing video of his time at the school. It was obviously a wonderful and special school in the 70's, as it is now. We very much hope the children enjoyed the day and please ask them about the teachers Victorian photos!

Summer Term starts 13th April As the warmer weather arrives (we hope), the children will need to keep safe in the sun. Please send in a named sunhat for your child. This will be kept in school to ensure protection is available at all times. A named, small tube or bottle of sun cream may also be sent in. Due to time constraints staff cannot apply sun cream, however the children will be encouraged to apply it themselves when appropriate.
