✨ A few important updates to how we run sign in and collection: ✨

➡Sign In Changes
With your consent, we will now securely store the details you provide on the sign-in form (including relevant medical information) on an Excel spreadsheet.

Going forward, this should make signing in much quicker and easier — you'll simply need to tell us:
• Your child's name
• Whether any details have changed
• If someone different will be collecting your child

➡New Pick-Up System
As you can appreciate, we sometimes have over 50 children in our care, and collection time can become quite hectic with so many adults arriving at once.

To help make things safer and more organised, we'll be trialling a "disco-style" collection system. Parents/carers will queue outside the front entrance, and one of our volunteers will go inside to collect your child for you.

🫂 A plea for regular volunteers 🫂

In order to be able to keep providing exciting opportunities like these in the future for our children we really need more regular volunteers to help us keep Youth Club running safely and successfully.

If you feel you could spare some time to help, even occasionally, please speak to us — your support would make a huge difference ❤

If you have any questions, please don't hesitate to speak to *Fran, Eve or Georgia* or the school office.

We can't wait to see you there! ✨
