16th July 2026

Dear Parents/Carers,

After School Club – September 2026

As you may be aware, both of our After School Club staff members have recently left, and despite our best efforts we have been unable to recruit in time for September. We know how important the club is to many families, so we have been exploring options to ensure we can offer provision from the start of term.

We are pleased to share that Premier Education, a leading provider of wraparound care and holiday clubs, will run our After School Club for the Autumn term. This partnership gives us an exciting opportunity to offer a refreshed, high-quality club.

The club will be led by two Premier Education staff members. Our intention is to keep the same team in place throughout the term to provide consistency for children and parents. Meals and snacks will remain the same. Children will have access to guided activities such as archery and ball games with a sports coach, as well as non-sporting options - arts and crafts, homework, and more supported by a second coach.

Booking and payments will continue to be managed by the school office, as usual. The only change to note is that the club will now run until 5:30 pm.

This is a trial for the Autumn term, and we welcome your feedback throughout. We will continue active recruitment during this period, and if the partnership proves popular, we may choose to continue with Premier Education.

We hope the children enjoy this new provision and we look forward to welcoming Premier Education from September.

Yours sincerely

Miss C. Stedman
